

Payment Process Guideline for ClbSE 2018 Registration

This guide consists of two main steps: i) sign up and ii) payment.

If you have an active email account from the “Universidad de los Andes” (with student, administrative, teacher or graduated role) you can skip the first step and continue with the Payment step.

If you do not have an active email account from the “Universidad de los Andes” but you have already signed up on the SIRE system, you can also skip the first step and continue with the Payment step.

Because SIRE is a general purpose application at “Universidad de los Andes”, it manages a terminology that might sound weird to you. In this section, we establish the correspondences between Cibse 2018 terms (i.e., registration options, categories of participants, and discounts) and SIRE terminology:
